HARBORNE PUMPKIN PARADE

MAP

12 pumpkins are hidden all over Harborne!

TRAIL ONE

Harborne businesses have carved their very own pumpkins, and they are displayed in their windows!

We need your help to find them!

Choose your trail and follow the map to find the pumpkins. You'll find a letter at each location that will spell out a secret message! Can you find the letters and uncover the message?

Once you've found them - hand your trail sheet back into Silver and Love for your chance to win a prize! Please note that Silver and Love will be closed on Sunday.

You only need to complete one trail to enter, but completing both will give you two chances to win!

The message is...

Hand this completed trail sheet in to be entered into our giveaway!
